Wet 'n Wild Emerald Pointe Converting In-Park Payment Process to Provide a Simpler and Safer Experience

Beginning July 8, The Carolinas' Favorite Water Park will accept credit, debit and prepaid cards or secure mobile payments only, offer free cash to card conversion system

GREENSBORO [JUNE 30, 2022] – Guests at Wet 'n Wild Emerald Pointe will soon find a more efficient, convenient, and visitor-friendly process to pay for park tickets and treats.

Beginning Thursday, July 8, The Carolinas' Favorite Water Park will accept credit, debit and prepaid cards or secure mobile payments only. The switch allows for a smoother and safer experience for guests, who can make payments with cards in addition to using secure mobile payment systems such as Apple Pay and Google Pay. Wet 'n Wild Emerald Pointe accepts all major credit and prepaid debit cards including MasterCard, Visa, American Express and Discover.

Guests that prefer cash have no cause for concern: they can use new, free Cash to Card Kiosks conveniently located throughout Wet'n Wild Emerald Pointe to convert up to \$500 cash onto a prepaid card. This card can be used to purchase tickets and frequent stores and stands throughout the park. The prepaid cards can also be used outside the park anywhere cards are accepted. There is no fee to convert cash onto a card.

“With the switch to solely accepting cards or secure mobile payments, we can reduce wait times and provide a better experience to our guests,” says General Manager Adam Good. “We will continue to serve those who rely on cash thanks to new Cash to Card Kiosks being placed throughout the park, offering guests a free and easy way to convert their cash onto a card.”
