**Wet'n Wild Emerald Pointe Launching New *Bombs Away* Extreme Drop Slides in 2022, Headlining Best Season Yet**

*2022 will bring more smiles and more thrills, year's best Season Pass offers arriving November 19 for early Black Friday bonanza*

**[GREENSBORO, NC, November 15, 2021]** – The countdown to Opening Day at Wet'n Wild Emerald Pointe is on as *The Carolinas' Favorite Waterpark* readies for its best season yet, featuring the NEW ***Bombs Away*** water slides and more great fun.

After a successful bounce-back summer in 2021, Wet'n Wild Emerald Pointe is counting the minutes until Memorial Day Weekend 2022, when the park will drop into a season of fun unlike any other. Guests will be able to step up to the park's new dual-drop thriller, *Bombs Away*. Sliders will step into enclosed capsules when, without notice, the floor beneath their feet abruptly vanishes and drops them down into two unique experiences – a straight-speed six-story, 70-degree drop where sliders will reach speeds of up to 26 feet per second, or a twisting, turning loop through a closed-tube 266-foot-long fly-by at similarly supersonic speeds.

“We know our guests have been waiting to blast off in ***Bombs Away*** for a while, and this dual-drop thriller will be worth the wait,” says General Manager Adam Good. The slides' debut was delayed by the covid-19 pandemic. “These drops are over the top, and we are so excited for sliders to blast off on ***Bombs Away*** all summer long.”

While the fun may be a few months away, now is the perfect time to make plans by purchasing a Season Pass during Wet'n Wild's upcoming Black Friday sales. Starting a week early on Friday, November 19, holiday shoppers can skip the shipping and supply chain concerns with a Season Pass, with budget-friendly tiers from no-frills, all fun to a Platinum Pass that includes free parking, free refills and two free friend tickets.

Season Passes are up to 25 percent off their normal price during the limited time sale, and are available for purchase on six-month payment plans. Single-day tickets are available as a smaller stocking stuffer.

“These Black Friday specials offer the gift of fun that will create special memories and won't collect dust in a closet,” says Marketing Director Kaylah Macauley. “Getting a Wet'n Wild Emerald Pointe Season Pass now allows smart shoppers to save big and enjoy the new *Bombs Away* attraction, and the special experiences visitors look forward to every year.”
